A perfect look that meets every expectation.

The modern design.

01

The Transporter succeeds in effortlessly catching the eye like no other. Its precise lines and clear contours give the design an exceptionally striking look, making a powerful statement in any line of work.

The optional LED front headlights (fig. 01), along with the LED tail lights (fig. 02) on vehicles with a tailgate, create a unique highlight with their attractive lighting signature. The advanced LED technology provides a large light volume, durability, and a light spectrum similar to daylight with exceptionally low energy consumption. The optional alloy wheels, such as the 17-inch "Devonport" wheel (fig. 03), reinforce the vehicle's exclusive appearance.
